107-108	Performance Task	Pages 107 and 108 should not be printed back to back; they cannot be cut out currently. There is no way to make the chart correct, since there are not analog and digital clock faces to correspond to all of the written words of the times.	2/15/2023
150	Q 5(j)	This problem is unclear. It could be rephrased as: "Hunter used some of the strings that are 4 inches long for an art project. He then had the same number of strings 4 inches and 6 inches long left over. Hunter used ____ strings for his art project."	2/23/2023
