70	2(d)	Fourth circle should have 40 in it.
103	3	Add a sentence after the second sentence: There were less than 5 stickers left over.
174	1	Since the workbook is black and white, it may not be clear to the student that the marbles in the bag can only be black or white. Add a sentence clarifying this: "A bag has ten marbles. 6 white and 4 black."
