112	Exercise 11, 3	The box in the 7th column and 3rd row should be shaded. The other unshaded box (2nd column, 4th row) should have a 2 in it (for H down).
113	Exercise 13, 3	The box in the 2nd column 4th row should have a 4 in it instead of 6. The box immediate to the right of it should be shaded.
117	Exercise 22, 2	The answer to the fourth problem (first problem in second row) should be 149.
