*Additional Notes

| Manipulatives | Notes |
| :---: | :--- |
| 1-in Square <br> Tiles | Could make paper tiles. |
| $100-$ Grid | Template provided in 6A Guide. |
| Calculators | Scientific and an inexpensive one that does not follow order of operations. |
| Coins | One coin for each student or group of students working together. Could use two- <br> color counters. |
| Hundred Chart | Template provided in 6A Guide. |
| Meter <br> Sticks (12) | Could instead use 12 cardboards strips 1 meter long. |
