

Bill Jackson

Geographic areas served: U.S., international

Phone: 862-203-0511

Email: billjackson@mathdemystified.com

Bio:

As a classroom teacher and math coach at School No. 2 in Paterson, NJ, Bill was one of the first teachers in the United States to implement Singapore Math® and lesson study in a U.S. public school, beginning in 1999. Following that he worked as a math coach in the Scarsdale NY Public Schools, a Director of Mathematics at the Harlem Village Academies in New York City, and the Co-Director of the Center for Lesson Study.

Bill is an author and reviewer of Dimensions Math and he offers specialized training in Singapore Mathematics, Common Core Standards, and Lesson Study for teachers, administrators, math specialists, curriculum administrators, and special education teachers.
