

Class content can be accessed outside of assigned lessons through the “My Content” tab.

Step 1: Log In

- Go to the Singapore Math Hub at: <https://hub.singaporemath.com>
- Enter your username and password.
- Click “Sign In.”

Step 2: Click the “My Content” tab

- Scroll down to find your desired book or video resource.
- Click “Open” to open that resource.
- *Note: If your “My Content” page is blank, this means your teacher has not yet added any content to your class.*

Step 3: Select a Chapter.

- Locate your desired chapter.
- Click “Open”

Step 4: Select a Lesson

- Locate your desired lesson.
- Click “View”
- *Note: If you see an “Open” button below the “View” button, it means you have or had an assignment for that lesson. To avoid confusion, please always access all assignments directly from the “My Assignments” tab.*

Step 5: Close the Resource

- Once you are done accessing the resource, click “Close”.
- Click the “My Content” tab to return to your resource library.
